ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

COURSE OBJECTIVE

The objective of this course is to update DDA careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

1 2 3 4 5 6 (7)

B. Please describe how you see the program benefiting you.

It has given me a better understanding of how the Agency works and especially DDA, & the role that each component has in fulfilling DDA's overall tasks. I feel that I have a more rounded knowledge of DDA, & when ODP stands in support of DDA, CIA as a whole.

C. Given your present assignment, what segment of the program did you find least useful?

The Training & Human Resources

(See Reverse Side)

D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

No. We never really hear of the accomplishments of the MAG Groups. Are they accomplishing their goal and are they really going about it in the right way?

E. We welcome your suggestions for improving this course:

I really don't think that I could suggest any way that this course could be improved. Of course, as with any course, the sessions are only as good as the speakers that show up. I'm sure that some of the originally scheduled speakers (like Mr. Blake) would have been more interesting, but that is not really the fault of the Course Administrator.
